By Margin of 8 Votes, ^{Pasadena 3/24/27} County 'Island' Annexed Adding 2697 Population

By the scant margin of 8 votes, residents in the famous "county island" voted to erase these boundary lines on the map and become full-fledged citizens of Pasadena.

The annexation election yesterday, 311 for and 303 against, was one of the most hotly contested elections in

years. Feeling ran high as proponents and opponents spent the day getting supporters to the polls. This high pitched interest resulted in bringing out 68.5 per cent of all eligible voters.

Since the "island" population is 2697, the annexation boosts Pasadena's population total to all-time high of 106,202. City Clerk Clara Belle MacLellan announced this morning.

Dispute Eligibility

Interest in the contest reached the boiling point yesterday when rival annexation forces had a dispute over the eligibility of a family of three persons at 2251 East Villa Street, to participate in the voting.

Living at this address are Mr. and Mrs. Gerald Thompson, and Mrs. Thompson's father, John D. Hunsiker. Mr. Hunsiker was listed on the ballot sheet as a voter in the county while the Thompsons were listed as voters in the adjacent precinct located within the city.

Referred to Registrar

When the Thompsons were refused ballots at the polling place the dispute was referred to the County Registrar who had made up the voting list. Word came back that the deputy registrar who had registered the Thompsons, ruled that the boundary line went through the house and since the Thompson bedrooms were on the city side, they must be declared city voters.

This explanation was not satisfactory to the Thompsons so the City Engineer's office was called in. Field deputies armed with maps and measuring lines went to the scene and determined conclusively that the entire Thompson house is in the county and that the Registrar's records were in error.

Confronted with this factual information the County Registrar ordered the election board to permit the Thompsons to vote. This increased the list of eligible voters from 897 to 899.

One Vote to Be Counted

There is one ballot yet to be counted. It was filed by an absentee voter and will be opened next Tuesday when the Board of City Directors canvass the returns.

While yesterday's election was close, city records disclose that once before an annexation election was even closer. When the Woodlyn tract became a part of Pasadena a single vote was the deciding one.

This peculiar "county island" was created many years ago as Pasadena continued to expand to the east. Annexations were made with the result that this one large territory was left entirely surrounded by the city.

By eliminating the boundary lines, the city will now take over the Edison Company service lines and will deliver electricity at a lower rate. The city likewise will be responsible for fire protection and will afford the district sewage disposal, free garbage collection and other services.

Controversy Develops in 'Island' Annexation as Vote Due Tomorrow

Pas. Star-News - 3/25/47
Proposed annexation of the balance of the so-called "county island," an unincorporated area entirely surrounded by Pasadena, which comes to a public vote tomorrow, has developed into a controversy among the 897 eligible voters.

Opponents of the annexation have flooded the district with unsigned handbills urging property owners and renters to defeat the move.

Proponents of the annexation, on the other hand, today countered with the circulation of a signed handbill in which they analyze the change, seeking to show that each resident will save \$20 to \$25 per year through joining Pasadena.

Proponents Identified

These proponents identify themselves as William O. Christian, 333 Martelo Avenue; L. E. Sage, 2197 Foothill Extension; Geneva Bulblitz, 399 Martelo; D. E. Kirkbride, 323 Lola; James R. Ramsey, 270 Bella Vista; Walter R. White, 2268 Foothill Extension; and Bert M. Baron, 2196 Foothill Extension.

"We have made a study of the problems of our district and find that the increase in taxes will be offset by a decrease in utility costs amounting to an overall saving of \$20 to \$25.

80 Per Cent Sign

"Over 80 per cent of the citizens have signed petitions to join Pasadena. It is the only way we can get sewer service, better fire and police protection, free garbage and can collection, free library and hospital service, and lower rates for electricity, gas, water and insurance," the advocates say in their signed circular.

Claim Taxes Higher

In the opposing circular the statement is made "that city taxes are two and three times higher than the present county taxes. Renters, with ceilings about to go, don't gamble with tax increases which mean higher rents. Don't exchange the alert County Fire Department for uncertain protection."

There will be one polling place for tomorrow's election. It is located at 2292 White Avenue and will be open during the customary hours of 7 a. m. to 7 p. m.

Several months ago one-half of this "island" voted to annex to Pasadena by an overwhelming vote.

Oak Annex Protests Fail

Protests filed against the Oak annexation which constitutes the balance of the county "island" were held to be insufficient under the law and the Board of City Directors today set March 20 as the time for holding the annexation election.

A check of the protest petitions filed last Tuesday disclosed that 295 owners of property had signed the papers. This represents 30 per cent of the 669 parcels of property included in the island.

Since it requires a 50 per cent protest to call the election off, City Directors overruled the petition and ordered the election.

ORDINANCE NO. 1365
AN ORDINANCE OF THE CITY OF PASADENA, CALLING A SPECIAL ELECTION TO BE HELD ON THE TWENTIETH DAY OF MARCH, 1947, PERTAINING TO THE ANNEXATION OF OAK ANNEX TO THE CITY OF PASADENA.

WHEREAS, by Resolution No. 7137 the Board of Directors of the City of Pasadena declared its intention to call a special election to be held on the twentieth day of March, 1947, in certain inhabited territory contiguous to said city near Oak Avenue proposed to be annexed to said city for the purpose of submitting to the qualified electors residing in said territory the question whether or not said territory shall be annexed to said city; and

WHEREAS, a copy of said resolution was published as required by law; and

WHEREAS, at a time not later than the hour set by said resolution for hearing objections to the proposed election no written or oral protests were made by the owners of a majority of separate parcels of property within the territory proposed to be annexed; and

WHEREAS, all proceedings have been had in accordance with said resolution and the Annexation Act of 1913, reference thereto hereby being made for further particulars;

NOW, THEREFORE, the People of the City of Pasadena ordain as follows:

SECTION 1. A special election hereby is called, to be held on the twentieth day of March, 1947, in the territory hereinafter described and proposed to be annexed to the City of Pasadena, for the purpose of submitting to the qualified electors residing in said territory the question whether or not such territory shall be annexed to, incorporated in, and made a part of said City of Pasadena, and whether or not the property in said territory shall, after such annexation, be subject to taxation equally with the property within the City of Pasadena, to pay the entire bonded indebtedness of the City of Pasadena outstanding at the date of such annexation or indebtedness theretofore authorized and to be represented by bonds of the City of Pasadena thereafter to be issued. Said territory is described as follows:

That certain territory in the County of Los Angeles contiguous to the City of Pasadena included within the following described boundary lines:

Beginning at a point in the boundary line of the City of Pasadena, as per annexation of September 24, 1946, said point also being the southeast corner of Lot 34, Glenview Tract, as recorded in Book 12, Page 50 of Maps in the Office of the County Recorder of Los Angeles County; thence northerly and following the present boundary line of the City of Pasadena to the point of beginning.

SECTION 2. TIME OF OPENING AND CLOSING OF POLLS. The polls at said election shall be opened at 7 o'clock a. m. of the day herein fixed for the holding of said election and shall be kept open until 7 o'clock p. m. of the same day, when the polls shall be closed.

SECTION 3. BALLOTS. Upon the ballots to be used at said election there shall be printed the words:

SHALL OAK ANNEX BE ANNEXED TO, INCORPORATED IN, AND MADE A PART OF THE CITY OF PASADENA, AND THE PROPERTY IN SUCH TERRITORY

BE AFTER SUCH ANNEXATION, SUBJECT TO TAXATION EQUALLY WITH THE PROPERTY WITHIN THE CITY OF PASADENA, TO PAY THE ENTIRE BONDED INDEBTEDNESS OF THE CITY OF PASADENA OUTSTANDING AT THE DATE OF SUCH ANNEXATION OR INDEBTEDNESS THEREFORE AUTHORIZED AND TO BE REPRESENTED BY BONDS OF THE CITY OF PASADENA THEREAFTER TO BE ISSUED?

Opposite these words there shall be printed the words "Yes" and "No," and to the right of each of these last two words there shall be a voting square. If an elector shall stamp a cross (X) in the voting square after the printed word "Yes" the vote of such elector shall be counted in favor of the annexation of said territory to the City of Pasadena; and if an elector shall stamp a cross (X) in the voting square after the printed word "No" the vote of such elector shall be counted against such annexation.

In all particulars not herein recited said election shall be held in conformity as near as may be with the laws of the State of California concerning general elections and with said Annexation Act of 1913.

SECTION 2. (a) For the purpose of said election there hereby is established in the territory described herein one (1) voting precinct, which shall include all of said territory. The following is the polling place of said election precinct and the following named persons hereby are named officers of election and shall constitute the board of election for such election precinct:

227 PERSONS RAP 'ISLAND' ANNEXATION

PASADENA 2-4-47

**Petition Requests
Vote Cancellation;
Decision Next Week**

An 11th-hour opposition movement to the proposed annexation of the balance of the famed "county island" to the city of Pasadena developed today with the filing of a petition signed by 227 citizens asking that the election be called off.

Mark A. English, 175 Vista Street, who circulated the petition, was represented at today's meeting of the Board of City Directors by Kenneth E. Paine, another property owner.

Need More Signatures

Mr. Paine said the petition contains the names of owners of 280 parcels of ground within the so-called Oak Island Annexation district. Since there are approximately 600 parcels of ground in the area, it will require protests from 301 property owners to cancel the election.

Requests of the annexation opponents for a 7-day extension of the time limit for filing protests to enable them to contact out-of-city owners of property and thereby gain the 301 goal, was denied.

Must Follow Law

City Attorney H. Burton Noble ruled that the city must follow the state law and that it was without jurisdiction to extend the protest filing time.

"You folks will all have another day in court when the annexation comes up for vote of the people," said Director Carl G. Wopschall.

City directors referred the petition to the city engineer's office to check the ownership of parcels. A ruling on the petition will be made next week, based upon the engineer's report.

OAK ANNEXATION ELECTION DAY SET

With March 20 set as the election date for the Oak annex comprising the remainder of the famous county island at the eastern edge of Pasadena, city directors will hold a public hearing on the proposed annexation at 10:30 a. m. Tuesday, February 4.

The area seeking to become part of Pasadena has 183 registered voters within its boundaries, and 270 householders signed the original petition for annexation.

The western part of the island
 (Turn to Page Fourteen)

(Continued from Page Three)

was annexed to the city several months ago.

For years this county territory completely surrounded by the city of Pasadena was embattled, some of the property owners seeking annexation to get the benefit of police and fire protection with the opposing faction successful time after time in defeating all annexation moves. However, the Maple annex brought the west half of the isolated district into the city and now the east portion will go to the polls in March to vote on joining Pasadena.

The Oak annex is bounded on the north by the line of lots immediately north of Villa street, by Oak avenue on the west, Foothill boulevard on the east with a jog that includes Wagner street and on the south by Walnut street.

Public Hearing Set on Annexation

Public hearing on proposed annexation to the city of the Oak Avenue area of the "county island" will be held before the Board of City Directors Jan. 28 at 10:30 a.m.

The Oak Avenue area is the sole remaining territory in the island which has not annexed to the city.

City directors have set March 13, date of the Pasadena municipal primary election, as the date also for voting on the annexation.

Pas. 5N-1-7-47

Annexation Vote Date Changed

Due to press of business relative to the March 13 municipal election, the Board of City Directors today changed the date for the special election on the proposed annexation of the Oak Avenue area in the "county island" from March 13 to March 30.

Also, the date for the special hearing on the annexation proposal was changed from Jan. 28 to Feb. 4.

The original Jan. 28 and March 13 dates had been set in a resolution last week, but city election activities would make it difficult for the clerk's office to handle a special election on the same date as the municipal voting, it was explained.

Pas 5N 11-1-47

Petition Seeks 10-Acre Annexation

The Board of City Directors today referred to City Attorney H. Burton Noble a petition to annex to the city an uninhabited 10-acre section on North Foothill Boulevard, now in county territory.

The petition was signed by Sebastian and Emma Wach and Adolph and Anna Frey. The City Planning Commission recommended annexation be permitted if sidewalks are installed on Foothill.
